As a member I understand:

• I will receive a weekly share of fresh, local produce, and the share will vary in size depending on the time of the season. I will use the bags supplied by Mountain View Farm to pick up my share.

• I and other CISA members are supporting our farmer, Mountain View Farm, by sharing in the inherent risks of agriculture (poor weather, drought, early frost, crop failure, etc.) There is no guarantee on the exact amount or type of produce I will receive in my share. Early spring distributions will be smaller and the size of the share increases as the season progresses.

• The growing season runs from June to the end of October, about 22 weeks. I will be notified via email of the exact date of the first pick up.

• It is my responsibility to pick up my share during distribution hours: Thursdays from 12:30-5:30pm at 3601 Main Street, Springfield MA or at the farm during the farm distribution hours: Thursday and Friday from 1:00-6:30 pm or Saturday and Sunday from 10:00am -3:00 pm at 393 East Street, Easthampton, MA and to make arrangements prior to Friday, if I am not able to pick up my share.
