

My Secure Advantage™

Your Financial Well-being Benefit

Baystate Health provides My Secure Advantage™ (MSA) to you and your family. When it comes to money, searching for answers can feel overwhelming. By connecting with a personal MSA Money Coach and taking advantage of online video courses, an assessment and action plan, budgeting tools and more, you can build a stronger and more secure future no matter where you are in your financial journey.

Money Coach

Finally, a mentor for your money – whose only job is to help you improve your financial life. Coaching is provided by experienced, unbiased professionals, and covers virtually all areas of personal finance. All coaching consultations are one-on-one, confidential and occur over the phone in ongoing, 30-minute sessions.

Assessment & Action Plan

Your financial future starts with understanding where you're at today. Take just a few minutes to complete MSA's online assessment to pinpoint your goals, highlight financial priorities and get next steps.

MSA Wallet®

MSA's budgeting tool – Wallet – makes it easier to budget, save, and get a clear view of your finances. With 24/7 visibility and bank-level security, you can plan for the unplanned, reduce debt, and increase your net worth.

Credit & Identity Monitoring

Access ID monitoring and credit information during your benefit period. Review your TransUnion credit score (updated every 30 days) and credit report (updated annually).

MSA has made it so easy for me to get all my financial questions answered in one place and [my Money Coach] has been instrumental in guiding me along my financial journey. In only a few sessions, she's helped break down key financial concepts in an understandable way and helped me assess my own finances so I can set myself up for a good future [...].
