**MIDWIFERY EDUCATION PROGRAM**

**MIDWIFERY INSTITUTE AT JEFFERSON UNIVERSITY**

Baystate Midwifery Education Program collaborates with the Midwifery Institute of Jefferson University to offer a 5 semester-long , concurrent midwifery/master's program leading to a certificate in nurse-midwifery and a master of science in midwifery. The Baystate Midwifery Program is campus based, and the 4 masters courses are via distance-learning. Take this opportunity to meet with Baystate faculty. You will learn about entrance requirements, and overview of the collaborative curriculum, program financing, and employment opportunities for certified nurse-midwives.
