Early Decision Deadline: December 10th, notification of decision by February 1st
Application Closing Date: April 1st, notification of decision by May 15th
Applications will be accepted after April 1 deadline on a space available basis. Contact the program at: midwifery@baystatehealth.org

It is the applicant’s responsibility to see that all credentials are on file. This includes transcripts and letters of reference. Folders which are incomplete at the closing date may not be considered for upcoming admission. A separate application is not required for Jefferson University.

Please direct all inquiries to: midwifery@baystatehealth.org Or call the program at: (413) 794-4448

1. Please complete and return the enclosed application with a check or money order for $50.00 made out to “BMC Midwifery Education Program”. This fee is non-refundable.
2. Faxed applications, essays, transcripts, or letters of reference are not acceptable. All materials must be original.
3. Transcripts: A transcript of your record from every college, university, or professional school which you have attended, even on a part-time basis, should be sent directly from the school to the above address.
4. References: Two professional references are required. The forms are enclosed for distribution. Applicants should include a reference from their most recent supervisor, and a person familiar with the applicant’s clinical expertise and/or academic capability. If the applicant has previously attended another midwifery education program, they should request an additional reference from their former program director. References are to be returned directly to the indicated on the reference form.
5. The Midwifery Education Program requires a college level course in Physical Assessment which includes both a didactic and clinical component. The course must have been completed within the past five years.
6. An undergraduate course in Statistics is required.

Following initial screening, selected applicants will be asked to come for an admissions interview.

A separate application for Thomas Jefferson University is not required.

The Midwifery Education Program affirmatively seeks to attract to its faculty, staff and student body qualified persons of diverse backgrounds and pursuant to this policy, no applicant for admission as a student or applicant for employment is discriminated against because of race, sex, sexual orientation, color, religion or national ethnic origin. It is also the Program’s policy that no qualified handicapped person is discriminated against on the basis of handicap.

APPLICANT REFERENCE FORM #1 (SUPERVISOR)

1. Name of Applicant: ______________________________________________________

2. Name of Reference: _____________________________________________________

3. Address of Reference: ____________________________________________________
__________________________________________________________________________

The above-named individual is an applicant to a graduate level program in Nurse-Midwifery. Nurse-Midwifery practice is the independent management and care of essentially healthy women during the antepartum, intrapartum, postpartum and interconceptual periods. The management occurs within a health care system which provides for medical consultation, collaborative management and referral.

In a brief narrative, please respond to each of the following areas:

1. The applicant’s ability and qualifications to participate in a self-directed midwifery program. Address academic capabilities, if known, and written and verbal skills.

2. The applicant’s ability to manage the care of a patient independently, make clinical judgments, and ultimately, practice successfully as a midwife. Please use behavioral examples.
Based on other people you have worked with or taught, please rate the candidate in the following areas:
