

Baystate Health

Information Regarding Providers in Baystate Health Hospital Facilities

Created September 13, 2016

Baystate Medical Center, Baystate Noble Hospital

Baystate Medical Center and Baystate Noble Hospital (the “Hospital Facilities”) do not employ their own physicians. Each physician bills separately for his/her services and follows his/her own financial assistance and billing and collection procedures. Accordingly, none of the following services provided by the physicians (or other third-party providers, if any) in the Hospital Facilities are covered by the BH Hospitals Financial Assistance Policy (the “FAP”):

Acupuncture	Internal Medicine
Allergy & Immunology	Nephrology
Anesthesiology	Neurology
Behavioral Health	Obstetrics & Gynecology
Cardiology	Occupational Medicine
Cardiovascular Disease	Pathology (Anatomic and Clinical)
Critical Care Medicine	Pediatrics
Dentistry	Physical Medicine & Rehabilitation
Dermatology	Psychiatry
Emergency Medicine	Pulmonary Medicine
Endocrinology	Radiology
Family Medicine	Renal Medicine
Gastroenterology	Rheumatology
Geriatrics, Palliative Care & Post Acute	Sports Medicine
Hematology/Oncology	Surgery
Hospital Medicine	Telemedicine
Infectious Disease	

Only emergency or other medically necessary care provided within a Hospital Facility by the Hospital Facility itself is covered by the FAP – *i.e.*, the FAP applies only to (i) emergency or other medically necessary care provided by employees (*e.g.*, nurses) of a Hospital Facility and (ii) other costs incurred directly by a Hospital Facility with respect to the provision of such care.

[Continued on the following page]

Baystate Franklin Medical Center

Baystate Franklin Medical Center does not employ its own physicians.

The emergency or other medically necessary care provided by physicians (or other third-party providers, if any) in Baystate Franklin Medical Center, in conjunction with Emergency Medicine only, is covered by the BH Hospitals Financial Assistance Policy (the “FAP”).

Otherwise, each physician bills separately for his/her services and follows his/her own financial assistance and billing and collection procedures. Accordingly, none of the following services provided by the physicians (or other third-party providers, if any) in Baystate Franklin Medical Center are covered by the FAP:

- | | |
|--|------------------------------------|
| Acupuncture | Internal Medicine |
| Allergy & Immunology | Nephrology |
| Anesthesiology | Neurology |
| Behavioral Health | Obstetrics & Gynecology |
| Cardiology | Occupational Medicine |
| Cardiovascular Disease | Pathology (Anatomic and Clinical) |
| Critical Care Medicine | Pediatrics |
| Dentistry | Physical Medicine & Rehabilitation |
| Dermatology | Psychiatry |
| Endocrinology | Pulmonary Medicine |
| Family Medicine | Radiology |
| Gastroenterology | Renal Medicine |
| Geriatrics, Palliative Care & Post Acute | Rheumatology |
| Hematology/Oncology | Sports Medicine |
| Hospital Medicine | Surgery |
| Infectious Disease | Telemedicine |

With the exception of Emergency Medicine, only emergency or other medically necessary care provided within Baystate Franklin Medical Center by Baystate Franklin Medical Center itself is covered by the FAP – *i.e.*, with the exception of Emergency Medicine, the FAP applies only to (i) emergency or other medically necessary care provided by employees (*e.g.*, nurses) of Baystate Franklin Medical Center and (ii) other costs incurred directly by Baystate Franklin Medical Center with respect to the provision of such care.

Baystate Wing Hospital

**Services Provided at Baystate Wing Hospital
(Excluding Services Provided at Baystate Mary Lane Outpatient Center)**

Other than the outpatient services provided at Baystate Mary Lane Outpatient Center (see the following page), all emergency or other medically necessary care provided by Baystate Wing Hospital is provided at Baystate Wing Hospital. Certain of the physicians who provide such emergency or other medically necessary care are not employees of Baystate Wing Hospital.

All emergency or other medically necessary care provided at Baystate Wing Hospital – whether by such third-party physicians (or other third-party providers, if any) or by Baystate Wing Hospital itself – is covered by the BH Hospitals Financial Assistance Policy (the “FAP”). Accordingly, emergency or other medically necessary care provided by providers at Baystate Wing Hospital, in conjunction with the following services, is covered by the FAP:

- | | |
|--|------------------------------------|
| Acupuncture | Internal Medicine |
| Allergy & Immunology | Nephrology |
| Anesthesiology | Neurology |
| Behavioral Health | Obstetrics & Gynecology |
| Cardiology | Occupational Medicine |
| Cardiovascular Disease | Pathology (Anatomic and Clinical) |
| Critical Care Medicine | Pediatrics |
| Dentistry | Physical Medicine & Rehabilitation |
| Dermatology | Psychiatry |
| Emergency Medicine | Pulmonary Medicine |
| Endocrinology | Radiology |
| Family Medicine | Renal Medicine |
| Gastroenterology | Rheumatology |
| Geriatrics, Palliative Care & Post Acute | Sports Medicine |
| Hematology/Oncology | Surgery |
| Hospital Medicine | Telemedicine |
| Infectious Disease | |

None of the providers that provide services at Baystate Wing Hospital provide emergency or other medically necessary care that is not covered by the FAP.

The above discussion applies only to services provided at Baystate Wing Hospital itself and does not apply to services provided at Baystate Mary Lane Outpatient Center. See the following page for a discussion of services provided at Baystate Mary Lane Outpatient Center.

Baystate Wing Hospital (continued)

Outpatient Services Provided at the Baystate Mary Lane Outpatient Center

Baystate Mary Lane Outpatient Center is a satellite facility of Baystate Wing Hospital that provides outpatient health services.

None of the physicians that provide services at the Baystate Mary Lane Outpatient Center are employed by Baystate Mary Lane Outpatient Center/Baystate Wing Hospital. The emergency or other medically necessary care provided by such physicians (or other third-party providers, if any) at the Baystate Mary Lane Outpatient Center, in conjunction with Emergency Medicine only, is covered by the FAP.

Otherwise, each physician providing services at Baystate Mary Lane Outpatient Center bills separately for his/her services and follows his/her own financial assistance and billing and collection procedures. Accordingly, none of the following services provided by the physicians (or other third-party providers, if any) at the Baystate Mary Lane Outpatient Center are covered by the FAP:

- | | |
|--|------------------------------------|
| Acupuncture | Internal Medicine |
| Allergy & Immunology | Nephrology |
| Anesthesiology | Neurology |
| Behavioral Health | Obstetrics & Gynecology |
| Cardiology | Occupational Medicine |
| Cardiovascular Disease | Pathology (Anatomic and Clinical) |
| Critical Care Medicine | Pediatrics |
| Dentistry | Physical Medicine & Rehabilitation |
| Dermatology | Psychiatry |
| Endocrinology | Pulmonary Medicine |
| Family Medicine | Radiology |
| Gastroenterology | Renal Medicine |
| Geriatrics, Palliative Care & Post Acute | Rheumatology |
| Hematology/Oncology | Sports Medicine |
| Hospital Medicine | Surgery |
| Infectious Disease | Telemedicine |

With the exception of Emergency Medicine, only emergency or other medically necessary care provided at Baystate Mary Lane Outpatient Center by Baystate Mary Lane Outpatient Center/Baystate Wing Hospital itself is covered by the FAP – *i.e.*, with the exception of Emergency Medicine, the FAP applies only to (i) emergency or other medically necessary care provided at Baystate Mary Lane Outpatient Center by employees (*e.g.*, nurses) of Baystate Mary Lane Outpatient Center/Baystate Wing Hospital and (ii) other costs incurred directly by Baystate Mary Lane Outpatient Center/Baystate Wing Hospital with respect to the provision of such care.

The above discussion applies only to services provided at Baystate Mary Lane Outpatient Center and does not apply to services provided at Baystate Wing Hospital itself. See the immediately preceding page for a discussion of services provided at Baystate Wing Hospital itself.
