Baystate Health Urgent Care provides adults and children walk-in medical services for unexpected illnesses and injuries that cannot wait for a primary care appointment, but do not require an emergency room visit. At Baystate Health Urgent Care, you’re seen by experienced practitioners in our state-of-the-art facilities with the convenience of imaging, X-ray, and lab services.

We provide treatment for a variety of injuries and illnesses, including:

- Coughs, flu, fever, sore throat and/or wheezing
- Earaches
- Evaluation of skin and/or eye rashes
- Fractures, strains and/or sprains
- Insect bites and/or stings
- Minor burns, cuts, scrapes and/or lacerations
- Minor eye injuries and/or infections
- Migraine headaches
- Minor motor vehicle injuries
- Muscle aches and/or pains
- Sore throats and/or colds
- Sexually transmitted disease evaluations
- Urination difficulty and/or pain
- Stomach pain, nausea, vomiting and/or diarrhea
- Work-related injuries
