Professional Liability Insurance and Licensure

Professional Liability Insurance
Through the Baystate Health Insurance Company, Ltd. (BHIC), a self-insured professional liability program, Baystate provides professional liability insurance to all residents and fellows. This coverage includes legal representation for claims related to your professional activities during employment, in the amounts of $3,000,000 per occurrence and $15,000,000 in the aggregate. A purchased umbrella policy provides additional coverage up to a maximum of $20,000,000. This program includes “tail coverage” for claims made after you leave employment at Baystate Health.

License Fees
Baystate Health covers the cost for a Massachusetts limited medical license.

Health Insurance Benefits

These benefits become effective on your date of hire. Choose among individual, employee + child, employee + spouse, or family coverage.

Medical Insurance
Baystate contributes significantly to the cost of the medical insurance plans. Through Health New England (HNE), Baystate offers two medical plans, the Advantage Plus Medical Plan and the HSA Medical Plan. A spousal surcharge is added to the cost of the team member paycheck contribution if your covered spouse is eligible for coverage through his/her employer. The surcharge can be waived if certain circumstances apply.

- **The Advantage Plus medical plan** is a traditional health plan. In this type of plan, you pay more in your paycheck contribution (premiums) than in an HSA plan, but the deductible is less. If you receive services and providers in the Baystate and Baycare network tier, there is no deductible. Services and prescriptions do have copays and coinsurance, but many services within the Baystate and Baycare network tier have no copay.

- **The HSA medical plan** is a high deductible health plan with a health savings account. In this type of plan, you pay less in paycheck contributions (premiums), but need to meet the deductible first, before the plan begins to pay a portion of the cost. In this plan, you have access to a Health Savings Account to make pre-tax contributions (up to $3,600 per year for individuals and up to $7,200 for families) to pay for qualifying medical expenses now and in the future. Baystate helps to fund your HSA by contributing $400 annually for individual coverage and $800 annually for all other coverage levels. In addition, under the HSA plan, you pay all prescription costs until you meet the medical plan deductible, then co-insurance payments apply.

For further information, visit The Hub>Departments>Benefits>Medical Insurance

Both Medical Plans Include:
- Preventive care services covered at 100%.
- Pharmacy prescription drug coverage.
- Access to telemedicine, medical and behavioral health services through Teladoc. Doctors and clinicians are available 24x7x365 by phone, online video or mobile app.
- Network tiers: You can save on your out-of-pocket health care costs if you select services within the BH/Baycare networks.
- A limit to the amount you have to pay out-of-pocket. This out-of-pocket maximum limits the amount you pay in deductible, copayment and coinsurance costs before the plan begins paying 100% of covered medical expenses.

Dental Insurance
The plans include preventive care as well as basic and major restorative care. The Value Plan provides coverage of up to $750 per person per calendar year. The Choice Plan provides coverage of up to $2,000 per person per calendar year and orthodontia coverage.

Vision Insurance
Available for purchase to cover eye exams, glasses, and contact lenses with discounts for laser vision correction surgery.
Retirement Package – 403(b) Plan You are automatically enrolled at 3% of your pay, but you can change the contribution (more, less, or opt out) at any time. Your Empower retirement kit will arrive at your home about a month after your hire date.

Your Voluntary Contributions - You can elect any percent of your pay up to $19,500 per year if under age 50 or any percent of pay up to $26,000 per year if age 50+. Contributions can be made to the before-tax account, the after-tax Roth account, or both. Your contributions are immediately 100% vested.

Baystate Matching Contribution - Baystate matches $0.50 for each $1 on the first 4% of your contributions. The maximum match is 2% of your pay. Matching contributions are made biweekly and there is a 3-year vesting requirement.

Baystate Service Years Contribution Baystate makes an additional annual contribution based on your years of service which is provided as a percentage of your pay. Contributions are made each spring and you must be employed on December 31st to receive it. There is a 3-year vesting requirement. (*except for retirement, disability, death or RIF status)

Health and Dependent Care Flexible Spending Accounts (FSA) You can begin making pre-tax contributions the first of the month after your date of hire to be used for reimbursement of out-of-pocket healthcare care expenses, including medical, dental and vision. A maximum of $550 from the Health Care FSA is eligible for rollover each year as long as you continue to contribute to the FSA. For dependent care out-of-pocket expenses, you can contribute higher amounts than the Health Care FSA, depending on your tax filing status and Baystate Health’s non-discrimination testing results. Special rules apply if you are enrolled in the HSA plan.

Financial Consultations Financial planners and retirement specialists are available to address debt consolidation, budgeting, estate planning, saving and retirement planning.

529 College Savings Plan This is an education savings plan designed to help you set aside funds for future college expenses, offering significant tax benefits and an exceptional degree of control and flexibility. 529 plans can be used for virtually any public or private institution of higher education. This is a part of the BenefitsPlus offerings.

Income Protection Benefits

Baystate provides income protection, by paying a percentage of your salary for a specified period of time, in the event you are ill or injured and cannot perform the duties of your job. Short-term disability and long-term disability become effective on your date of hire, provided you are actively at work. Life Insurance is effective the 1st of the month following date of hire.

Short-Term Disability (STD) Baystate pays 60% of your annual base earnings up to 20 weeks, for full-time and part-time benefit-eligible team members, up to a maximum weekly benefit of $3,500. You can choose to purchase an additional 10% or 20% STD buy-up insurance to supplement the 60% coverage (salary maximums apply). The maximum weekly benefit for the buy up coverage is $7,500.

Long-Term Disability (LTD) Baystate pays 60% of your annual base salary, for full-time benefit-eligible team members, up to a monthly benefit maximum of $5,000.

Massachusetts Paid Family and Medical Leave (PFML) PFML provides you with job-protected paid time-off for your own illness or injury, as well as family leave to welcome a new child, take care of an ill or ailing relative or for certain military circumstances. The benefits for family leave and employee medical leave include up to a total of 26 weeks of job-protected paid leave. The paid portion of this leave for your own medical condition (PML), is based on your salary and is in supplement to Short Term Disability coverage. Be sure to understand how PML impacts your need for STD buy-up.

Term Life Insurance Baystate covers at least one times the salary for full-time team members and 50% of salary for part-time. This includes an option to purchase additional insurance up to 5 times base salary. This is subject to guaranteed issue maximums. Amounts over $300,000 require medical underwriting.
